Michelle Clemens, staff

Approval of Minutes: The May meeting minutes were approved as written.

New GSAC Member Introductions:

Lynda Greene was introduced as the newest GSAC member.

Volunteer Projects:

Nothing is planned for the immediate future.

Future GSAC Projects:

There are three confirmed upcoming projects: Participation in the July 4th Parade, Mosquito Control Speaker Series and review of the revised tree / landscape ordinance. Another speaker series is also in the works for August or September, with the topic being Bring Conservation Home.

Mosquito Control Speaker Series:

This will take place on June 20th at 7:00 pm at Maypop Garden & Coffee Shop. The two speakers will be James Sayers from St. Louis County Vector Control and Jean Ponzi, from EarthWays Center. Yvonne will bring the projector, screen, etc. Maypop is located at 803 Marshall Avenue. This is presented as a joint collaboration of the Green Space Advisory Commission and the Sustainability Commission.

Partnership with Sustainability Commission:

The Green Space Advisory Commission and Sustainability Commission will be partnering as an entry in the July 4th parade. Richard Fitzgerald will submit the parade entry form and attend the required safety meeting. The parade theme is “Scenes of Summer.” Available members of both commissions will meet on June 24 at the Service Center at 8:00 am to go over details and begin working on decorations. Suggestions included making “log people” out of branches, trees, flowers, plantings, (summer type greenery) and other summer items such as a bbq, etc. Ginger will let Jamie (Sustainability Commission member) so that Jamie can pass the information on to members of her committee.

Future Speaker Series Planning: Bring Conservation Home:

This will be held in August or September possibly at Larson Park. Carrie will contact the speaker to check his availability. Additional details will be discussed at the July meeting.

Next Meeting: Monday, July 8th, 7:15 pm at Recreation Complex.

Note: This is the second Monday in July, which is different from the usual first Monday of the month meeting date. The date was changed due to lack of parking available at the Complex on July 1st due to the Community Days carnival.

Adjournment:

The meeting adjourned at 8:00 pm.
