“A Day of Good Deeds”**

**Make a Difference Day in Shrewsbury and Webster Groves** is a call to action. We all know too well the problems that face our communities: abused and neglected children; families who need food, clothing or toys; youngsters who do not have books or someone to read to them; elderly neighbors who would welcome a visitor or need help with yard work; and food pantries with insufficient provisions to name a few. We challenge you to look around our communities, see what needs to be done, and do what you can by working together with other volunteers. We know that Shrewsbury and Webster Groves are communities that care. We are excited about our plans and are looking forward to your participation.

You may sign up at [http://www.deercreekalliance.org/wg\\_green\\_keepers](http://www.deercreekalliance.org/wg_green_keepers) to participate in “Stream Team Trash Bash”, seed collection or tree planting.
