"A Day of Good Deeds"

Make a Difference Day in Shrewsbury and Webster Groves is a call to action. We all know too well the problems that face our communities: abused and neglected children; families who need food, clothing or toys; youngsters who do not have books or someone to read to them; elderly neighbors who would welcome a visitor or need help with yard work; and food pantries with insufficient provisions to name a few. We challenge you to look around our communities, see what needs to be done, and do what you can by working together with other volunteers. We know that Shrewsbury and Webster Groves are communities that care. We are excited about our plans and are looking forward to your participation.

Please sign up at http://www.deercreekalliance.org/wg_green_keepers to participate. If you have your own project in mind or need help thinking of something, you may also fill out the form below and return it to:
