Bring accepted items to the Moss Field Parking lot, using the Ambrose Way entrance off of S. Elm Avenue. There is no charge for most items, but fees apply for televisions and devices containing freon. View a list of accepted items and fees.

Thank You Tennis Court Neighbors!

A big thank you goes to the neighbors of the newly poured tennis courts at Memorial Park. With the heat and scheduling, arrangements were made to begin pouring the surface for the courts at the early hour of 5 a.m. Tennis players were grateful for the accommodation, as it allows the courts to be ready for play sooner. Take a peek at the courts as they cure at the corner of S. Elm and Glendale.

Development Update

The July 14 Town Hall meeting held by SG Collaborative, the preferred developer for the project north of Old Webster, was well attended by Webster Groves residents. The developer presented draft ideas for land uses and a site concept, and asked residents to provide their suggestions for the area.

The entire meeting was recorded and is available at sgcollaborative.com. Please know that the City welcomes our resident and business thoughts about the project. Submit them via the Comment Map at sgcollaborative.com.
