JOINING THE COURT SESSION:

Zoom hearing ID numbers for the Webster Groves Municipal Division are specific to the hearing date and time, and they will not work on other court dates. Log in information can be found on our website at www.webstergroves.org/virtualcourt.

WHEN TO CHECK IN:

Check in 10 minutes prior to your scheduled court session. Please know that multiple people are scheduled for each session, and will be taken in a first come first serve manor.

USING THE CORRECT NAME: VERY IMPORTANT STEP

To speed up the wait times, you need to review your display name and ensure it is the same as it appears on your ticket. If it is not, you will need to use the renaming feature to type in the correct first and last name. Attorneys, please sign in with your name and then your client's name in parenthesis after yours.

When you join the meeting, you will be in a virtual waiting room where you will see a message that says the host will let you in shortly. You will be admitted in first come first serve basis if your case has been set for a virtual hearing. Be patient, as wait times can vary based on how many individuals checked in before you.
