

PRESS RELEASE; Immediate Release

The Old Orchard Gazebo Music Series is BACK!!!

Spend six Friday evenings in the waning days of summer and into the fall at Gazebo Park in the Old Orchard Business District in Webster Groves from 7:00 to 8:30 PM starting on August 20th and running thru September 24th.

The Gazebo Series made its first appearance in 2004 when a group of Old Orchard business owners decided to gather local bands at the gazebo in the park in their business district and share free music with the community on summer evenings. Many of those same business owners along with several new ones continue to organize and put on this event for the enjoyment of the community. With the series going dark last year due to COVID restrictions, this year will mark the 16th year for this favorite community event.

So bring a lawn chair, fill your picnic basket with carry out or delivery from an Old Orchard eatery, and enjoy the sounds of popular local musical favorites. This year's lineup promises to have something for everyone:

- August 20th Broken Hipsters
- August 27th Brother Francis and The Soultones
- September 3rd Diesel Island
- September 10th Hobo Cane featuring Javier Mendoza
- September 17th The People's Key
- September 24th Jake's Leg

Gazebo Park is located at 8180 Big Bend Boulevard where Lockwood meets Big Bend in Webster Groves, MO. Free parking is available in the various parking lots throughout the business district and on its streets.
